**CELA**

Dear Attorneys Jordan and Hampton,

On behalf of my client Bob Vander Plaats, I respectfully request a 30 day extension from last Wednesday (to and including Aug. 2, 2013) to file a complete response to complaint MUR 6740. Bob was first alerted to the need for, and details of, this requested response after he returned to his office on Monday, July 1 after being out on business the week of June 24. Due to the before mentioned unavoidable delay, the 4th of July holiday, and his counsel (me) being in KY until Sun. night July 14, it will be difficult to adequately reply by the deadline.

Please confirm this request by replying to "All". Thank you for your consideration!

Sincerely,

Chuck Hurley

PS. Bob should be faxing or emailing his Designation of Counsel this afternoon.
